

The responses to bidders' inquiries are provided for the bidders' convenience only. In some instances, the question and answer may represent a summary of the matters discussed rather than a word-for-word recitation. The responses may be considered along with all other information furnished to prospective bidders for the purpose of bidding on the project. The availability or use of information provided in the responses to contractors' inquiries is not to be construed in any way as a waiver of the provisions of Section 2-1.03 of the Standard Specifications or any other provision of the contract, the plans, Standard Specifications or Special Provisions, nor to excuse the contractor from full compliance with those contract requirements. Bidders are cautioned that subsequent responses or contract addenda may affect or vary a response previously given. Inquiries along with responses may be posted at the website only when the inquiries are submitted in any of the acceptable manner prescribed under the Notice to the Contractors and when the responses have already been communicated to the individual inquirers. Bidders' inquiries received over the phone must be followed-up and submitted in writing for an official response.

The Bidders' inquiries and Responses may be updated from time to time and bidders are enjoined to check the website regularly and immediately prior to the scheduled bid opening.

Caltrans District 8 Office is located at 464 W. Fourth Street, San Bernardino, CA 92401-1400.

Inquiry No.	Inquiry/ <b>Response</b>
1.0	<p>Question_1: Our quantity takeoff for roadway excavation, using the contour grading plan sheets, is substantially higher than the engineer's estimate. Please review.</p> <p><b>Response: Pending</b></p>
2.0	<p>Question_2: Reference page 103,section 10-1.27 Earthwork, paragraph D of the Special Provisions which indicates adding 106,000 cy for subsidence to the imported borrow quantity. The quantity for bid item 38-Imported Borrow is 106,000 which seems to represent only this subsidence factor. The subsidence quantity and imported borrow quantity seem to be inaccurate. Please review</p> <p><b>Response: Pending</b></p>
3.0	<p>Question_3: This is a follow up regarding the availability of cross sections for Contract No 08-478604. The Special Provisions say (SUPPLEMENTAL PROJECT INFORMATION, SECTION 5-1.11) that cross sections are available for inspection at the District Office. We are attempting to get a copy of the Cross Sections so that we can prepare a bid on the referenced project. How do we accomplish that?</p> <p><b>Response: The Cross Sections for this project are available for pick up. If you are interested, please contact one of the above listed numbers to find out how you may obtain a copy.</b></p>
